The secret police, or Securitate, sought to regain control. But then the army turned on the Ceausescus and battled

#### Dear Sam,

AFTER 10 years of marriage I've become depressed because my husband seems to have lost interest in sex with me.

Until the past three months we'd always enjoyed a hectic and adventurous sex life.

In fact, only 12 weeks ago we had a sensational threesome. We'd been in the pub and this guy came back to our place.

My hubby put on a porn DVD in the front room and we all ended up going upstairs together.

My guy shagged me first as his mate played with my 36Ds and tweeked my propage and I numbed his cock.

My guy siagged me first as his mate played with my 30Ds and tweaked my nipples and I pumped his cock.

Then he rolled off and I got on all fours as his pal took me from behind. Then as we lay back exhausted side by side, I wanked them both off in unison.

But this is the last sex session me and my husband have had and I

can't help wondering why.

# I'm Black Widow's sex slave – to keep my job!

#### Dear Sam,

I'M an IT worker and while I was updating the firm's internal e-mail system I decided to take the opportunity to look up some web porn.

I found a snap of some stud taking a fit blonde from behind. For some reason I thought it would be a laugh to superimpose my head on the stud's body and the head of one my fit colleagues.

It looked realistic, so I e-mailed the

image to some of my mates.

The only problem was that a fault in my new system meant that everyone in the office received a copy.

#### **Furious**

Most of the lads and a couple of the women thought it was great fun, but my fit colleague was furious and complained to our female boss.

As I bent her over the desk and slid easily into her from behind I got a great view of her firm arse and reached round for a grope of her lovely 36DD tits.

As I was pounding away, I glanced up and saw her face reflected in the office window.

There was no getting away from the fact she had an ugly mug, albeit contorted into an amazing expression of ecstasy.

This put me off slightly and it took a effort to complete the job. But I did, she seemed to enjoy it. Now she says she wants regular sex

MY girlfriend was away at her folks' place last weekend, so I popped in to the boozer on the Sunday afternoon.

I sat quietly with my paper and a pint and then the strangest thing

happened.
A really fit girl, around 19 with long blonde hair and a slim physique, brought her drink over and asked what I was reading. We had a few drinks and

a nice chat and she later suggested we have a few more drinks elsewhere.

We set off in a taxi but she was desperate for the loo and, as we were passing my place, we paid off the driver and nipped into mine.

I was stunned when she grabbed me in the hall and stuck her tongue down my throat, sending my old man into orbit.

Then she slipped off her

goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom

For all you red-blooded fellas who love your porn but are bored to tears by dull Downton Abbey this is your buck day.

dull Downton Abbey this is your lucky day.
Released last week, the UK's most highly anticipated adult movie is available exclusively through the Sport's adult partner Private Shops and, for a limited time they're offering readers another £5 OFF the already low, low price.

OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee)
Jasmine Jae, and their two young promiscuous stepyoung promiscuous step-daughters, Abby and Fanny

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae

BAD TACTICS: Joe Root

### Root all talk after Lions get a roasting

### CRICKET

JOE Root insists England were not bullied as Indian landed a surprise Lord's Test win. The Three Lions

The Three Lions looked in prime position to win the second match of the series heading into the final day.

But they got stuck in a war of words with the Indians who smashed their way to victory with some lower-order hitting and quality bowling.

The umpires had to step in as the verbals were turned up to new

were turned up to new

levels.
Root has come in for stick as Joe Anderson and Co fired in short balls at the India tail-

bowling at the stumps.
The England skipper says his tactics were to blame rather than

blame rather than reacting to the heated words.
Root said: 'It's important for me to look at things logically and not get sucked into a sideshow, look at the cricket and make sure we're doing everything we can to take those last three wickets if we find ourselves in a similar situation.

### Hatred

"I don't think there's

"I don't think there's any real hatred there between anyone out there on the field. "India as a side grabbed onto something and used that to their advantage on this occasion and as far as I'm concerned I don't think there's any nastiness there or nastiness there or

nastiness there or hatred there between the two teams." India skipper Virat Kohli says England's verbals only served to fire up his players on the final day.

He added: "I think the bowlers were just outstanding and what

the bowlers were just outstanding and what happened in our second innings, right at the end with the bowlers, a bit of tension on the field really helped us and really motivated us to finish this game.

"The verbals really charged us up and gave us extra motivation to finish the game off.

"We have three more games to go. We are not going to sit on our laurels after this match and just take it easy. If at all, we going to get more intense."

# LATEST NEWS ON THE BIGGEST MOVE

### **HARRY Kane must leave Spurs** if he wants to win trophies before his career ends.

That's the view of one former and a current Tottenham player who believe the England skipper will win nothing if he remains in north London.

Louis Saha reckons Kane has more than done his share at Spurs and deserves the chance to play for a more successful club like Man City.

a more successful club like Man City.
Their boss Pep Guardiola wants
to sign Harry to replace Sergio
Aguero who has left for Barcelona.
Saha said: "Harry Kane is such a
professional and has always
committed himself in the best way

possible.

"But Harry has every right to try and push for a move. He's proven

### By PAUL THOMAS

himself and conducted himself in the best way possible but it is understandable that he wants to leave and try to win the best trophies.

"He feels like he gave everything to his club and now deserves an open

door.

"I had the same situation at Fulham. At the end of the day, it is your career and if people show ambition in any other career then it would be respected but that gets lost in football sometimes.

"We can forget that players are humans with emotions and not robots who might have a dream job they are after."

Even current Spurs player Moussa Sissoko agrees that it will be hard for Kane to achieve his goals if he

stays with Nuno Espirito Santo's

side.

Sissoko may not be in London long himself. Fenerbahce have reportedly been in talks to bring him to Turkey. The 31-year-old has been told by Santo that he's free to leave and it will be a relatively small fee in the region of £5m.

### Irk

It sounds like Kane will be following him through the exit.
Sissoko said: "Like all players, Kane wants to win titles. A player of his stature deserves to win titles

each season.
"Sadly, we have failed to do so each time for various reasons. I think that this must irk him inside.

"I do not know if he will leave or not, but if he ever did leave, I would

wish him the best because he deserves to win titles with all that he has done.

"He is truly an extraordinary player."

Tottenham didn't miss Kane too

nuch on Sunday as they saw off champions City 1-0.

As many have predicted, it could be the making of Son Heung-min to be the No1 goalgetter in the Spurs

team.
And the Korean showed his class

And the Korean snowed his class with the winning goal.

Son is adamant that all the speculation about Kane is not distracting other stars in the squad.

He said: "Everybody should be ready for every game, that is so important."

important.
"There is a chance every game, we know how important that is. If

### IN PREMIER LEAGUE HISTORY

not focused, if you're not ready, then every game we are going

"That is why, in the pre-season, we are working really hard to try and make it as easy as possible for the

coming season.

"We want to focus game by game to try and win the games and we will see when we arrive what we can achieve.

### Training

There may be a clue about Kane's future after he was named in the Tottenham party for their Europa Conference League clash with Pacos De Ferreira in Portugal.

He wasn't even in the squad for the Man City game but Santo says that's because he hadn't been in training for long enough. But

Tottenham fans shouldn't get too excited.

excited.

If Kane does play against the Portugeezers on Thursday night he wouldn't be cup-tied for the Champions League from the group stages which wouldn't put City off making their move.

Nuno is still making the right noises about his star striker staying in London

London. He said: "Harry is one of the best

He said: Harry is one of the best players in the world, so we are very lucky to have him. "He has to get ready and help the team. We still have to go to Portugal and then we think about Wolves on

Sunday.

"Harry worked this morning, is preparing himself and when he is ready he will join the group and help the team."
